

# Size Chart

Choosing the right size for your children can be difficult, especially considering how quickly they grow when they are younger. To help families ensure they choose the correct sizing for their children, we have put together a size chart for your reference. Should you still have questions regarding the appropriate sizing upon viewing the chart below, please do not hesitate to contact us with any inquiries you may have.

\*For children currently in school always measure your child chest size before buying.

\*For New Starters, for cardigans & sweatshirts usually always have 5/6(26") .
